

John Tenerelli currently farms

50 Acres of stone fruit on small parcels in Litterock CA. which is North East of Los Angeles in Los Angeles county. John grows more than 80 varieties of fruit including all stone fruit, apples, mulberries, figs, and pomegranites. He has been producing fruit for more than 35 years mostly selling thru Farmers Markets in the Los Angeles area. We have been growing as enviromentally consious as we no how and still trying new ways every season.
